

CLOSE

PROTECTION

Serenity provides professional, experienced Close Protection Officers to suit the individual requirements of our clients. Our officers blend seamlessly into family and working life, enabling our VIP's to conduct their business in confidence

Providing reassurance, a presence and to mitigate risk

Fully vetted, SIA registered staff with exceptional conflict management skills

A range of services from Individual officers to Close Protection Teams

Highly competitive rates & no obligation quote

"OUR PROMISE IS YOUR PEACE OF MIND"

We understand that some functions require highly visible security staff and others require security staff to blend in. Serenity will tailor your security package to meet your personal requirements.
